

Shooting Cracks in the Bridgers

Playground

Bridger Range

1/26/2025

Code

Latitude

45.84260

Longitude

-110.92900

Notes

From obs: "We skied north from Texas Meadows to the Playground. Strong southerly winds were actively building wind slabs up to 25 cm deep in immediate lees at treeline. We experienced a few instances of cracking in this [wind slab](#), propagating 2 or 3 meters from our ski tips."
